## **How to Enroll**

09/16/2025 3:58 pm EDT

You can enroll online in a few quick clicks! Here's how:

- 1. Log into our website or app.
- 2. Go to Documents and click Manage Delivery Preferences.
- 3. Next to Escrow statements plus other routine servicing communications, check the Email box and follow the prompts to complete your enrollment.

If you're already enrolled for paperless mortgage/account statements or year-end statements, you also have the option to enroll for electronic escrow statements and other routine communications by phone. We'll be happy to help!
